Photoshop Type Effects Visual Encyclopedia Roger Pring

The ultimate rich resource for amazing type design with Photoshop. Nothing can ruin a stunning piece of art quicker than finishing it off with poorly executed type effects. *The Photoshop Type Effects Encyclopedia* is a non-linear tutorial and a visual reference walking users step-by-step through complete details for designing professional level type effects. The book is organized into two general parts: a contextualizing introduction; and the actual encyclopedia, with rich illustrations of what each effect looks like, how to create the effect (including screenshots and other illustrations showing the step-by-step progress of each effect), and how to do your own variations of the effect. Each page is easy to read and follow, yet is packed with information.
