The Day After He Left for Iraq: A Story of Love, Family, and Reunion Melissa Seligman

The emotional true story of a family separated by war. We feel for the men and women who are risking their lives at war, but what of the families they've left behind? In gorgeous prose, a military wife describes a year in her family's life—a year in which her husband leaves for war and returns, and prepares again to leave.

Melissa Seligman's son is a newborn, and her daughter, a toddler, when her husband ships out to Iraq. Starting with that day, and focusing on the months that follow, she movingly describes the balancing act her life has become: being a loving mother to her young children, with the haunting knowledge that her husband, their father, could be killed at any time. Seligman doesn't hesitate to express her inner pain. She watches her daughter acting out in fury. Then there's her own anger. Ultimately, though, she comes to accept her life and appreciate the strength and determination of her loving children and husband. It's a book to read in one sitting, and to think about for years.

Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
