The Fornes Frame: Contemporary Latina Playwrights and the Legacy of Maria Irene Fornes Anne García-Romero

A key way to view Latina plays today is through the foundational frame of playwright and teacher Maria Irene Fornes, who has trained a generation of theatre artists and transformed the field of American theatre. Fornes, author of *Fefu and Her Friends* and *Sarita* and a nine-time Obie Award winner, is known for her plays that traverse cultural, spiritual, and aesthetic borders.

In *The Fornes Frame: Contemporary Latina Playwrights and the Legacy of Maria Irene Fornes*, Anne García-Romero considers the work of five award-winning Latina playwrights in the early twenty-first century, offering her unique perspective as a theatre studies scholar who is also a professional playwright.

The playwrights in this book include Pulitzer Prize–winner Quiara Alegría Hudes; Obie Award–winner Caridad Svich; Karen Zacarías, resident playwright at Arena Stage in Washington, DC; Elaine Romero, member of the Goodman Theatre Playwrights Unit in Chicago, Illinois; and Cusi Cram, company member of the LAByrinth Theater Company in New York City.

Using four key concepts—cultural multiplicity, supernatural intervention, Latina identity, and theatrical experimentation—García-Romero shows how these playwrights expand past a consideration of a single culture toward broader, simultaneous connections to diverse cultures. The playwrights also experiment with the theatrical form as they redefine what a Latina play can be. Following Fornes’s legacy, these playwrights continue to contest and complicate Latina theatre.
