The Handbook of Model-making for Set Designers

Colin Winslow

The Handbook of Model-making for Set Designers Colin Winslow
From the most basic cutting and assembling methods to advanced painting, texturing, and finishing techniques, this invaluable guide covers every aspect of producing models for stage sets. Useful hints on producing a range of different models—including buildings and structures, organic elements such as trees and bushes, and furniture—are provided along with helpful illustrated step-by-step instructions. A number of modern computer-based design techniques are also included and accompanied by tips on using these techniques in combination with more traditional procedures to enhance finished products.
