The Last Rabbit John Kateley

Averis peered into the crevasse with fear and trembling. First came the great shaking, something he never experienced. Now, the great Rock that was the northern boundary to his once idyllic home was split asunder, allowing intruders into his valley. No longer could he and his mother live in their secluded and protected meadow, free from predators. The appearance of the crevasse was just the first sign from God that would lead the rabbits Averis, and his mother, Mary, into the company of Emorauld the great Coyote, Rexes King of Cougars, Lupistine of the Wolves, and many others. These were the last of the talking animals, hidden in places on the earth from the first garden. Now, in these last days, God will gather and lead this great migration through many heart stopping adventures on their way to the Ark, a place of refuge during the coming world upheaval.
