Both science and spirituality agree that every particle of matter, every phenomenon we experience, is a form of resonance or vibration. The human voice is quite literally a mouthpiece of this truth; there is no form of expression more personal, more tied to our identities, than our voices. With simple inspirational exercises, this book by renowned voice teacher Chloe Goodchild gives readers the tools to guide them in a process of sound healing and soul communication that is guaranteed to open the heart and restore forgiveness, compassion, and interconnectedness between individuals and in their communities.

At the heart of every human journey exists the longing to feel at home in one's self and in the world. In a unique response to meet this longing, Chloe Goodchild invites you on a compelling adventure of self-discovery and creative fulfillment through a direct experience of your own authentic voice--the voice of your personal authority, the song of your soul. Going beyond traditional vocal training guides, this book will appeal to anyone wishing to encounter themselves at a primal level through the medium of the voice.
