### **The Principle of Spiritual Economy: In Connection with Questions of Reincarnation An Aspect of the Spiritual Guidance of Man (CW 109) Rudolf Steiner**

11 lectures, various cities, January-May, 1909 (CW 109)

These talks reveal a particular aspect of how humankind have been guided spiritually throughout history?by the life forces and astral bodies of the great initiates and avatars that were preserved, duplicated, and interwoven with the leading personalities of history. Steiner gives numerous examples of this process, but he says that such inspired people are rare today. Nevertheless, we have the possibility of elevating ourselves in the future to the point where we can receive into ourselves the "I-being" of the Christ, which is indeed our greatest goal?"not I but Christ in me."
