**The Singer: A Classic Retelling of Cosmic Conflict (Singer Trilogy the Singer Trilogy)** Calvin Miller *The Singer* quickly became a favorite of evangelists, pastors, artists, students, teachers and readers of all sorts when it was originally published in 1975. Retelling the story of Christ through an allegorical and poetic narrative of a Singer whose Song could not be silenced, Miller's work reinvigorated Christian literature and offered believers and seekers the world over a deeply personal encounter with the gospel.

Now available in hardcover for the first time in many years, this edition features a new cover illustration by Jerry Tiritilli to complement the classic interior illustrations by Joe DeVelasco. Miller also includes a new preface in which he reveals how he came to write *The Singer* and how he, like so many other readers, has been transformed by its imaginative power.

"*The Singer* is one of a handful of contemporary Christian works that will still be read a century from now." Michael Duduit, editor of *Preaching* "*The Singer* is one of those rare books that cannot have enough good said about it. It absolutely sings to us of the greatness and goodness of the God and Father of our Lord Jesus Christ." Richard Foster, author of *Celebration of Discipline* "*The Singer* is a classic." Leonard Sweet, author of *SoulTsunami*

Here--again, or for the first time--is the opportunity to experience the good news as you are drawn to and immersed in this magnificent tale.
