Walking in Italy's Stelvio National Park: Italy's largest alpine national park (Mountain Walking)

Gillian Price

The 38 summer day walking routes in this guidebook explore the renowned Stelvio National Park in the Italian Rhaetian Alps. Bordering the Dolomites to the east, and Switzerland to the west, the Stelvio is one of the largest protected areas in all of the Alps. The walks explore each of the Stelvio's valleys, are graded for difficulty and range from 4 to 18km. There is plenty for active holidaymakers; from easy strolls to strenuous climbs to panoramic summits for experienced walkers. The Stelvio's unspoilt landscape ranges from valley farmland to forested hillsides and alpine meadows, and up to a wilderness of rugged glaciated summits and ridges, the highest of which is Ortler, at 3905m. The guidebook also includes plenty of background information on local wildlife and cuisine, as well as planning details such as what to take and dos and don'ts. The guide also contains accommodation suggestions, including campsites, B&Bs, hotels and mountain huts in the National Parks picturesque towns and villages such as Bormio, Suldens and Martell Dorf. Close to Milan, Verona and Innsbruck, with good public transport throughout, the Stelvio National park offers extensive, spectacular Alpine walking, with this as the first English-language guide to the area.
