Fly-Casting Finesse: A Complete Guide to Improving All Aspects of Your Casting John L Field

Fly-Casting Finesse reveals expert John L. Field's secrets of fly-casting based on modern observation, Field's experience as an angler and casting teacher, and his collaboration with international members of casting clubs and schools. Whether the reader is a salt- or freshwater angler, *Fly-Casting Finesse* will help the caster increase accuracy and distance as well as hone presentation. It runs the gamut from one-hand spey techniques to dealing with wind on the flats.

Although not a complete casting curriculum, the purpose of the book is to help anglers learn how to achieve more and know where to get assistance. Many of the skills at the highest levels of fly-casting require an educated sense of feeling in the rod hand that enables the caster to use finesse and seemingly minimal effort to manipulate the rod and line. The book will guide people down the path of acquiring that magical touch.

According to Field's philosophy, readers should first learn all casting styles and techniques to adapt them for any species and location they encounter, and secondly, they should know the history and purpose of presentation, so they can be innovative in the future. In applying this book to angling, he's not trying to teach the reader how to catch more fish; he's trying to help the reader catch the fish he or she wants.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

May be it could be best activity to you.

Paula Salas:

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you might have done when you have spare time, then why you don't try factor that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Fly-Casting Finesse: A Complete Guide to Improving All Aspects of Your Casting, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

Eva Lynch:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's

country. Therefore this Fly-Casting Finesse: A Complete Guide to Improving All Aspects of Your Casting can make you really feel more interested to read.
