Getting to the Heart of Learning: Social-Emotional Skills across the Early Childhood Curriculum

Ellen Booth Church

The best learning emerges in a classroom community where children feel accepted and appreciated for their ideas and actions. Through the activities in *Getting to the Heart of Learning*, Ellen Booth Church shows teachers and caregivers how easy it is to foster children's sense of curiosity through group explorations that promote social connection and positive development. With step-by-step instructions, *Getting to the Heart of Learning* weaves social-emotional learning into activities that support math, science, literacy, and motor skills. Rather than adding in activities throughout the day, these explorations integrate social-emotional learning across the curriculum through group involvement and building community. Learn how to strengthen home-to-school connections, too, with easy strategies that help families develop a shared vision for student's social-emotional and academic success.
