Hurricane Blues Marcia Calhoun Forecki

In the title story, "Hurricane Blues," meet a Louisiana blues piano player who protects her home-alone son by averting hurricanes with a whiskey shot glass and a mother's love. In "The Reader," a dreamy bookworm stumbles into manhood. In "Soul Most In Need," the friendship of two southern widows is the one truth at a tent revival. "Nahualli" presents a sharp-tongued Mexican recluse and her shape-shifting lover. Meet a good-hearted deacon doing reconnaissance on a philandering preacher from a classic car in "T-Bird Recon." A cruel medieval father, a frontier lawyer's silent child scrivener, and an aspiring teacher caught in the 1918 influenza epidemic also populate this eclectic collection of previously published and new short fiction.

From reader reviews:

Karl Harms:

In this 21st millennium, people become competitive in every single way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yeah, by reading a guide your ability to survive raises then having a chance to remain than other is high. For yourself who want to start reading any book, we give you this Hurricane Blues book as a nice and daily reading reserve. Why, because this book is greater than just a book.

Antoinette Holdren:

Now a day folks who are living in the era everywhere everything reachable by connect with the internet and the resources inside it can be true or not involve people to be aware of each data they get. How people have to be smart in obtaining any information nowadays? Of course the answer is reading a book. Looking at a book can help individuals out of this uncertainty. Information mainly this Hurricane Blues book as this book offers you rich details and knowledge. Of course the data in this book hundred per cent guarantees there is no doubt in it you know.

Donna Cancel:

This Hurricane Blues is a great publication for you because the content that is certainly full of information for you who else always deal with the world and get to make a decision every minute. This particular book reveals it accurately using great plain words or we can claim no rambling sentences in it. So if you are reading it hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having Hurricane Blues in your hand like getting the world in your arm, information in it is not ridiculous a single. We can say that no book that offers you the world throughout ten or fifteen small rights but this book already does that. So, this really is a good reading book. Hey Mr. and Mrs. busy do you still doubt this?

Wanda Mason:

Do you like reading a publication? Confused to looking for your preferred book? Or your book ended up being rare? Why so many problems for the book? But any kind of people feel that they enjoy to get reading. Some people likes studying, not only science book but also novel and Hurricane Blues as well as others sources were given know-how for you. After you know how the fantastic a book, you feel would like to read more and more. Science publication was created for teacher or even students especially. Those books are helping them to add their knowledge. In various other case, beside science book, any other book likes Hurricane Blues to make your spare time far more colorful. Many types of book like this.
