## **Surviving Leukemia and Hodgkin's Lymphoma: An Overview Of Effective Treatment Methods**

Melinda Baxter

"Surviving Leukemia and Hodgkin's Lymphoma" is a text that will give the reader a more than basic insight into the inner workings of both diseases. The author guides the reader through the various symptoms that come with each and the current methods that are used to diagnose the diseases. After that the various methods of treatment, both medical and alternative are expounded upon. It is a great support text for anyone that has any of these diseases or has family members with the disease to have. It can really help them to not only understand what exactly the individual is going through, but also help them to know what they can do to help or when they would need to be the most supportive. Leukemia and Hodgkin's Lymphoma are not diseases that cannot be ignored so it is best to be prepared to deal with it.
