Foxe Fire Haley Walsh

Can out-and-proud high school teacher Skyler Foxe find the Redlands firebug before he falls prey to a killer?

High school English teacher Skyler Foxe is now out and proud, even though a few months ago he had no intention of being so. But since the cat is now out of the bag, he embraces it as well as his boyfriend, head football coach, Keith Fletcher.

But who is that good-looking gay parent hanging around Keith, causing mischief at the school as well as in Skyler's private life? And then someone from Skyler's past returns, stirring up trouble. Add to that a firebug and suddenly everyone seems up to no good, especially when a smoldering corpse is found outside of the local gay bar.

Skyler can't help himself and he gets up to his old sleuthing tricks once more.

From reader reviews:

Patricia Henderson:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each e-book has different aim or even goal; it means that guide has different type. Some people experience enjoy to spend their time and energy to read a book. These are reading whatever they have because their hobby is reading a book. How about the person who don't like reading a book? Sometime, person feel need book when they found difficult problem or even exercise. Well, probably you will want this Foxe Fire.

Jerry Montgomery:

The book Foxe Fire can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book Foxe Fire? Some of you have a different opinion about publication. But one aim that book can give many details for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or info that you take for that, you may give for each other; you could share all of these. Book Foxe Fire has simple shape however, you know: it has great and big function for you. You can search the enormous world by available and read a e-book. So it is very wonderful.

Roger Moxley:

Now a day folks who Living in the era where everything reachable by interact with the internet and the resources included can be true or not involve people to be aware of each data they get. How people have to be smart in getting any information nowadays? Of course the answer is reading a book. Looking at a book can help people out of this uncertainty Information particularly this Foxe Fire book because this book offers you rich facts and knowledge. Of course the info in this book hundred percent guarantees there is no doubt in it as you know.

Josephine Draughn:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Foxe Fire can make you feel more interested to read.
