Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. The Enhanced Teacher's Manual, Level 4 provides suggestions for applying grammar to all four skill areas, helping instructors facilitate dynamic grammar classes. The assessment program includes a placement test, unit tests, a midterm, and final test. The tests include an optional writing prompt and are available both in pdf and Microsoft Word formats, allowing instructors to customize them as needed. Photocopiable communicative activities add even more open-ended practice, and grammar presentations in PowerPoint facilitate teaching. Instructors also receive unit-by-unit teaching tips, the answer keys to both the Student's Book and the Workbook, and the script for the classroom audio program.
