Holocaust Girls: History, Memory, and Other Obsessions

S. L. Wisenberg

Holocaust Girls: History, Memory, and Other Obsessions S. L. Wisenberg

This bracing and vivid collection of essays gives voice to what some American Jews feel but don't express about their uneasy state of mind. These essays creatively and sometimes audaciously address the question of what it means to be an American Jew trying to negotiate overlapping identities—woman, writer, and urban intellectual in search of a moral way. S.L. Wisenberg's deeply ambivalent connection with the Holocaust reappears throughout these essays as she struggles to find a way to live with history without being swallowed by it.
