## Media Industries: History, Theory, and Method

*Media Industries: History, Theory and Method* is among the first texts to explore the evolving field of media industry studies and offer an innovative blueprint for future study and analysis.

- capitalizes on the current social and cultural environment of unprecedented technical change, convergence, and globalization across a range of textual, institutional and theoretical perspectives
- brings together newly commissioned essays by leading scholars in film, media, communications and cultural studies
- includes case studies of film, television and digital media to vividly illustrate the dynamic transformations taking place across national, regional and international contexts
