Model Performance Measures for State Traffic Records Systems (NHTSA Technical Report DOT HA 811 441) U.S. Department of Transportation National Highway Traffic Safety Administration

The National Highway Traffic Safety Administration is releasing this new collection of 61 performance measures. These performance measures were crafted with substantial input from a group of 35 experts with experience in at least one of the six core State traffic records systems. The measures are designed to provide traffic records professionals with the information necessary to develop and deploy quantifiable performance measures appropriate for their traffic record systems.
