## **The Secret of the Fortune Wookiee (Origami Yoda series Book 3)** Tom Angleberger

With Dwight attending Tippet Academy this semester, the kids of McQuarrie Middle School are on their own--no Origami Yoda to give advice and help them navigate the treacherous waters of middle school. Then Sara gets a gift she says is from Dwight--a paper fortune-teller in the form of Chewbacca. It's a Fortune Wookiee, and it seems to give advice that's just as good as Yoda's--even if, in the hands of the girls, it seems too preoccupied with romance. In the meantime, Dwight is fitting in a little too well at Tippet. Has the unimaginable happened? Has Dwight become normal? It's up to his old friends at McQuarrie to remind their kooky friend that it's in his weirdness that his greatness lies.

With his proven knack for humorously exploring the intrigues, fads, and dramas of middle school, Tom Angleberger has crafted a worthy follow-up to his breakout bestsellers *The Strange Case of Origami Yoda* and *Darth Paper Strikes Back*.
